

Shipping Guidelines – 2022

MDBiologix is now offering the following expanded shipping options to all customers located in North America.

Option	Zone(s)	Estimated Delivery Date
Standard (ground)	BC / AB / SK / MB / NB / NS / PE / NL	3 to 5 business days
	MB / N. Ontario / N. Quebec	2 business days
	S. Ontario / S. Quebec	Next business day (by 12pm)
Express	BC / AB / SK / MB / NB / NS / PE / NL	2 business days
Premium	BC / AB / SK / MB / NB / NS / PE / NL	Next business day (by 12pm)
US *NEW*	All zone(s)	1 to 5 business days

Please note that product orders received *less than 5 business days* before their needed receipt will be shipped via express or premium. Additional charges may apply.

Shipping Notes

- Business Days are Monday-Friday. Holidays, Saturday and Sundays are not included in Shipping Days.
- In most cases, Canadian orders will be shipping from Ontario. US orders will be shipping from Colorado.
- Estimated Delivery Dates are based on the date of shipment and applicable to most serviceable areas in North America.
- In most cases, orders for single-use consumables received by 5pm (ET) will be processed for shipment the next day. For example, an order placed on Monday before 5pm (ET) will be shipped on Tuesday. For multi-use equipment or backorder situations, additional order processing time may be required.
- Unless otherwise requested, all shipments will be processed under the Standard shipping option.
- Rates will be calculated according to zone, order size and option selected. Please contact us for an exact shipping estimate for your order.
